

PRICELIST January 2021 - December 2021

DAILY DIVING

SEE NOTES BELOW TABLE FOR ADDITIONAL EXPLANATION

All daily diving is subject to Government Tax - currently at 14%

Circle Divers Tec and CCR
Sharm El Sheikh
info@circle-divers-tec-and-ccr.com
circle-divers-tec-and-ccr.com

Activity - Cost per Day	1 Day	2 -4 Days	5 Days +	Notes - All daily diving is subject to Government Tax - currently at 14%
OC Guided Diving - "Air"	105 €	100 €	95 €	Up to 40m - Normally 2 x 60 minute dives
CCR Guided Diving - "Air"	105 €	100 €	95 €	Up to 40m - Normally 2 x 60 minute dives - Air Dil included
OC Guided Diving - "Normoxic"	110 €	105 €	100 €	40m-60m using Normoxic Trimix (not included)- Normally 1 x 90 minute dive
CCR Guided Diving - "Normoxic"	115 €	110 €	105 €	40m-60m using Trimix Diluent - Normally 1 x 90 minute dive - Dil not included
Normoxic Plus Diving	8 € per day supplement			60m-70m - Supplement is in addition to Guided Diving "Normoxic" rate
OC Guided Diving - "Hypoxic"	130 €	125 €	120 €	60m-100m using Trimix (not included) - Normally 1 x 90 minute dive
CCR Guided Diving - "Hypoxic"	135 €	130 €	125 €	60m-100m using Trimix Diluent - Normally 1 x 90 minute dive - Dil not included
Cave Supplement	25 € per day supplement			Supplement is in addition to Guided Diving rate for planned depth
Expedition Trimix Supplement	25 € per day supplement			Dives >100m - Supplement is in addition to Guided Diving "Hypoxic" rate

Except primary tanks (OC Doubles or Sidemount Tanks or CCR DIL/O₂ tanks), equipment is not included for any Daily guided diving

Air and Nitrox Gases are included in the price of daily diving up to maximum 50% - mixes above 50% are chargeable at the Oxygen litre rate of 0.015 € per litre used

Example - 80% Nitrox mix for accelerated decompression in 8.4 Litre tank at 200 bars = 20.16 € (8.4 x 200 x 0.80 x 0.015)

Helium is not included in the price, and is chargeable at 0.08 € per litre used. **GUIDE'S GAS IS FREE!**

Example - 10/50 Helium Diluent in 3 Litre tank at 200 bars = 24 € (3 x 200 x 0.50 x 0.08)

No guided diving to exceed the maximum certification level and experience of the client

Sofnolime is not included for CCR daily diving - and is charged at 12 euros per kilo. **GUIDE'S SOFNOLIME IS FREE!**

It is the responsibility of certified CCR divers to ensure prudent use of Sofnolime in accordance with Manufacturer guidelines and their Training Organisation recommendations

Appropriate bailout tanks are provided according to the type of CCR diving undertaken - Trimix bailout is supplied full and returned full - any Helium used is chargeable at the current rate

PRICELIST January 2021 - December 2021
DAILY DIVING and COURSE SUPPLEMENTS
SEE NOTES BELOW TABLE FOR ADDITIONAL EXPLANATION

Circle Divers Tec and CCR
 Sharm El Sheikh
 info@circle-divers-tec-and-ccr.com
 circle-divers-tec-and-ccr.com

All daily diving is subject to Government Tax - currently at 14%

Activity - Cost per Day	Supplement	Notes - All daily diving is subject to Government Tax - currently at 14%
Boat lunch	100 LE	Includes buffet lunch and unlimited soft drinks
National Park Supplement	7 €	Required for each day spent in Ras Mohamed or Tiran National Parks
Fuel surcharge	1 €	Daily supplement for increased fuel costs
3rd dive (or 3rd hour of diving)	40 €	3rd dives subject to availability and safe diving practices
Night dive	50 €	Only taken as 3rd dive of the day - normally shore dive at Ras Um Sid
Dunraven Supplement	59 €	2 Dives normally available, Shark Reef and Dunraven, 3rd dive option
Dahab Supplement	69 €	Sites visited - Canyon/Bells/Blue Hole (plus 10\$ per person and vehicle for Blue Hole entry)
Thistlegorm Supplement	80 €	1 x 2 hour dive available (mandatory fee for breakfast/lunch/drinks 10€ subject to change)
Million Hope Supplement	40 €	1 x 2 hour dive available. Minimum 2 pax
Rebreather "Try-Dive"	80 € / 130 €	1 or 2 dive experience with full briefing - can count toward CCR course. 1 Dive experience from shore, 2 Dive experience full day from boat

Special trips can be arranged - eg Dahab multi day - contact us for individual pricing for a bespoke package

Dunraven/Thistlegorm/Million Hope trips are subject to minimum numbers and weather conditions

PRICELIST January 2021 - December 2021

EQUIPMENT RENTAL

Circle Divers Tec and CCR
Sharm El Sheikh
info@circle-divers-tec-and-ccr.com
circle-divers-tec-and-ccr.com

GENERAL NOTES - REQUIRED READING FOR ALL GUESTS

All daily diving and courses are subject to Government Tax - currently at 14%

Days listed for courses are approximate – they may change according to the learning speed of the student - additional days will be charged at a fixed rate of 95 euros per day for open circuit air courses and 120 euros per day for open circuit courses involving the use of Helium based gases - closed circuit courses are charged at an additional 130 euros per day for air diluent courses and 140 euros per day for Trimix. (Plus VAT)

Air and Nitrox Gases are included in the price of the course up to 50% - mixes above 50% are chargeable at the Oxygen litre rate of 0.015 € per litre. Helium is not included in any course price, and is chargeable at the current rate - as of 1 January 2020 - 0.08 € per litre. Estimated Helium costs are shown in course information sheets but are a guideline only. **Guide's Gas is Included in daily diving and course cost!**

Sofnolime for CCR diving is charged at 12.00 € per kilogram. It is the responsibility of certified CCR divers to ensure prudent use of Sofnolime in accordance with Manufacturer and their Training Organisation guidelines. IANTD states that "On any rebreather program, each day shall be started with a new scrubber material" and that "For any dive below 160 fsw/48 msw the use of a new scrubber material is mandatory". **Guide's sofnoilime is included!**

Prices are based on cash payment in euros. Payment by card or other currency may incur an administration charge - this is currently 3%

Notes - All daily diving and courses are subject to Government Tax - currently at 14%

IANTD and SSI courses incur a cost of 60 € which includes certification and electronic manual

TDI courses incur a cost of 80 € which includes certification and paper manual

PADI TecRec courses incur a cost of 48.50 € for certification - manuals are individually priced

ANDI Courses have various certification costs, they do not include VAT and require the student's credit card details. ANDI CCR Level 1 Recreational Rebreather diver 18 mts certification is 25 €, CCR Level 2 Rebreather diver is 40 €, CCR Level 3 is 55 €, CCR Level 4 is 60 €, CCR Level 5 is 75 €

ALL PADI TecRec courses require that the candidate obtains a signed Doctor's Medical Clearance to dive - Self Certification is not allowed

Damage to rental equipment in the care of clients of Circle Divers Tec And CCR is chargeable on a sale or repair basis - with repair wherever possible
